PROFILE

Since 2010, I have been working on essential CMS frameworks like Shopify, Wordpress, as well as Figma, PHP, and HTML. With my expertise in HTML, CSS, Magento, and WordPress CMS, I craft tailored websites that seamlessly blend functionality, smoother and higher loading speeds, and aesthetic touch. For more than a decade, I worked on WordPress theme development, customization, and plugin development and customization for clients and businesses worldwide.

WORK EXPERIENCE

- Reformedtech** 2010 - PRESENT
